Spring Seminar and Meeting

“Spring into Strategic Planning”

Hear an update on the ADA and NJDA Strategic Planning Initiatives, and learn how to develop a strategic plan for meeting your own professional goals. (1hour)

“Fiber, Prebiotics, and Probiotics-A 21st Century Approach to Bowel Management”

This session describes the challenges clinicians face when managing bowel regimens of patients, and provides new information on the influence of fiber, prebiotics and probiotics upon bowel regulation. (1 hour)

“Diagnosis and Treatment of Dysphagia in Long Term Care”

Walk through the process of a dysphagia evaluation, diagnosis, and treatment plan by a speech language pathologist (SLP), including the signs and symptoms of both dysphagia and aspiration, common diagnoses concomitant with dysphagia, a routine bedside evaluation, a video fluoroscopic exam, and prescription of dietary modifications.(2 hours)
